

General Membership Mtg 01/02/14

The meeting was called to order @ 6:35 PM.

Bill Field introduced all the new members of the BOD.

Old Business:

The new annex has some moisture mold problems due to inadequate ventilation. A solution to this needs to be determined and undertaken.

New Business:

A new power head for the 8HP outboard still hasn't been found but we will wait to see if one becomes available.

There is a used tractor @ a local dealer that would appear to meet our needs for boat hauling--it is \$600. and we need to determine if we want to buy it. The old tractor could be listed for sale on Craig's list.

The lawn mower still has not been returned but we won't need it until spring.

Bill Field made a motion for a perpetual trophy for the Turkey Trot regatta be purchased and all were in agreement to do so.

A motion had been made to move the Big Boys Race to 1:00 PM in order to accommodate those who could not get there for the current 12:30 PM start and discussion followed. It was decided to leave the time as is. It was also discussed and decided that hamburgers and hot dogs would continue to be served as it is very popular and promotes participation in the race.

Jake Morgan presented his training schedule for 2014 and it will be incorporated into the website calendar.

The Thundermug is our next regatta and the date needs to be determined. it should occur after daylight savings time, which is March 9, to give us the extra time flexibility.

Ron Kainz is planning another "Voyage" on Jan. 11 and encouraged anyone interested to sign up on the board or get in contact with him.

The meeting was adjourned @ 7:40 PM.
